Revive Adserver User Guide.

This is the official User Guide for Revive Adserver.

Where to start?

- Read about the [Key Concepts](#) if you're new to using Revive Adserver;
- Read about the [Advertising Concepts](#) if you're new to online advertising;
- Browse the Revive Adserver [User Guide](#) using the menu at the left, to learn about how to use all of the different features Revive Adserver offers.

Other resources

- Read the [Admin Guide](#) for details on how to install, configure and manage Revive Adserver;
- See the [HOWTO Guide](#) for quick details on how to perform common tasks; and
- Read the [Troubleshooting Guide](#) if you're having problems.

Support

- Finally, if you're still stuck, please visit the [Revive Adserver Community Forums](#) to talk with the Revive Adserver community.
